

How to tell us what you think

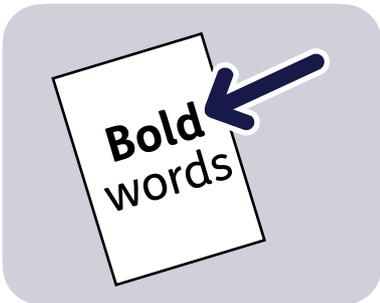

Easy Read

This is an Easy Read version of some information. It may not include all of the information but it will tell you about the important parts.

This Easy Read booklet uses easier words and pictures. You may still want help to read it.

Some words are in **bold** - this means the writing is thicker and darker.

These are words that some people will find hard. When you see a bold word, we will explain it in the next sentence.

Blue and underlined words show links to websites and email addresses. You can click on these links on a computer.
