

# Where can I travel with keyGo?

This is a general guide to where keyGo can be used on our network.

Save money with weekly capping on keyGo. You can make as many journeys as you like between two stations on our network across the week (Monday-Sunday) and only pay the equivalent weekly season price.

Always remember to touch in and out on every journey.

Where your journeys occur within the London travel area, we will Price Match with the equivalent Oyster zone day fare or Travelcard price.
